Vision 2030 – Integrate IT. Architect the future.

We aspire to lead the market.

We focus on IT markets where we can carve out a leading position. Our growth is above market with our sights set on a revenue mark of 10 billion euros.

Growth and foresight underpin our success.

We are able to build a sound future for Bechtle by pursuing sustained profitability. An EBT margin of 5 per cent or more gives us the freedom to invest while safeguarding our security and independence.

We empower business.

We understand our customers and deliver future-oriented IT to drive their success.

IT is our passion.

We are professionals. We strive to excel and we have what it takes. Bechtle is a place where great people accomplish great things.

2 Sustainability.

Sustainability Strategy 2030 – Four strategic areas of action.

5 Highlights.

1

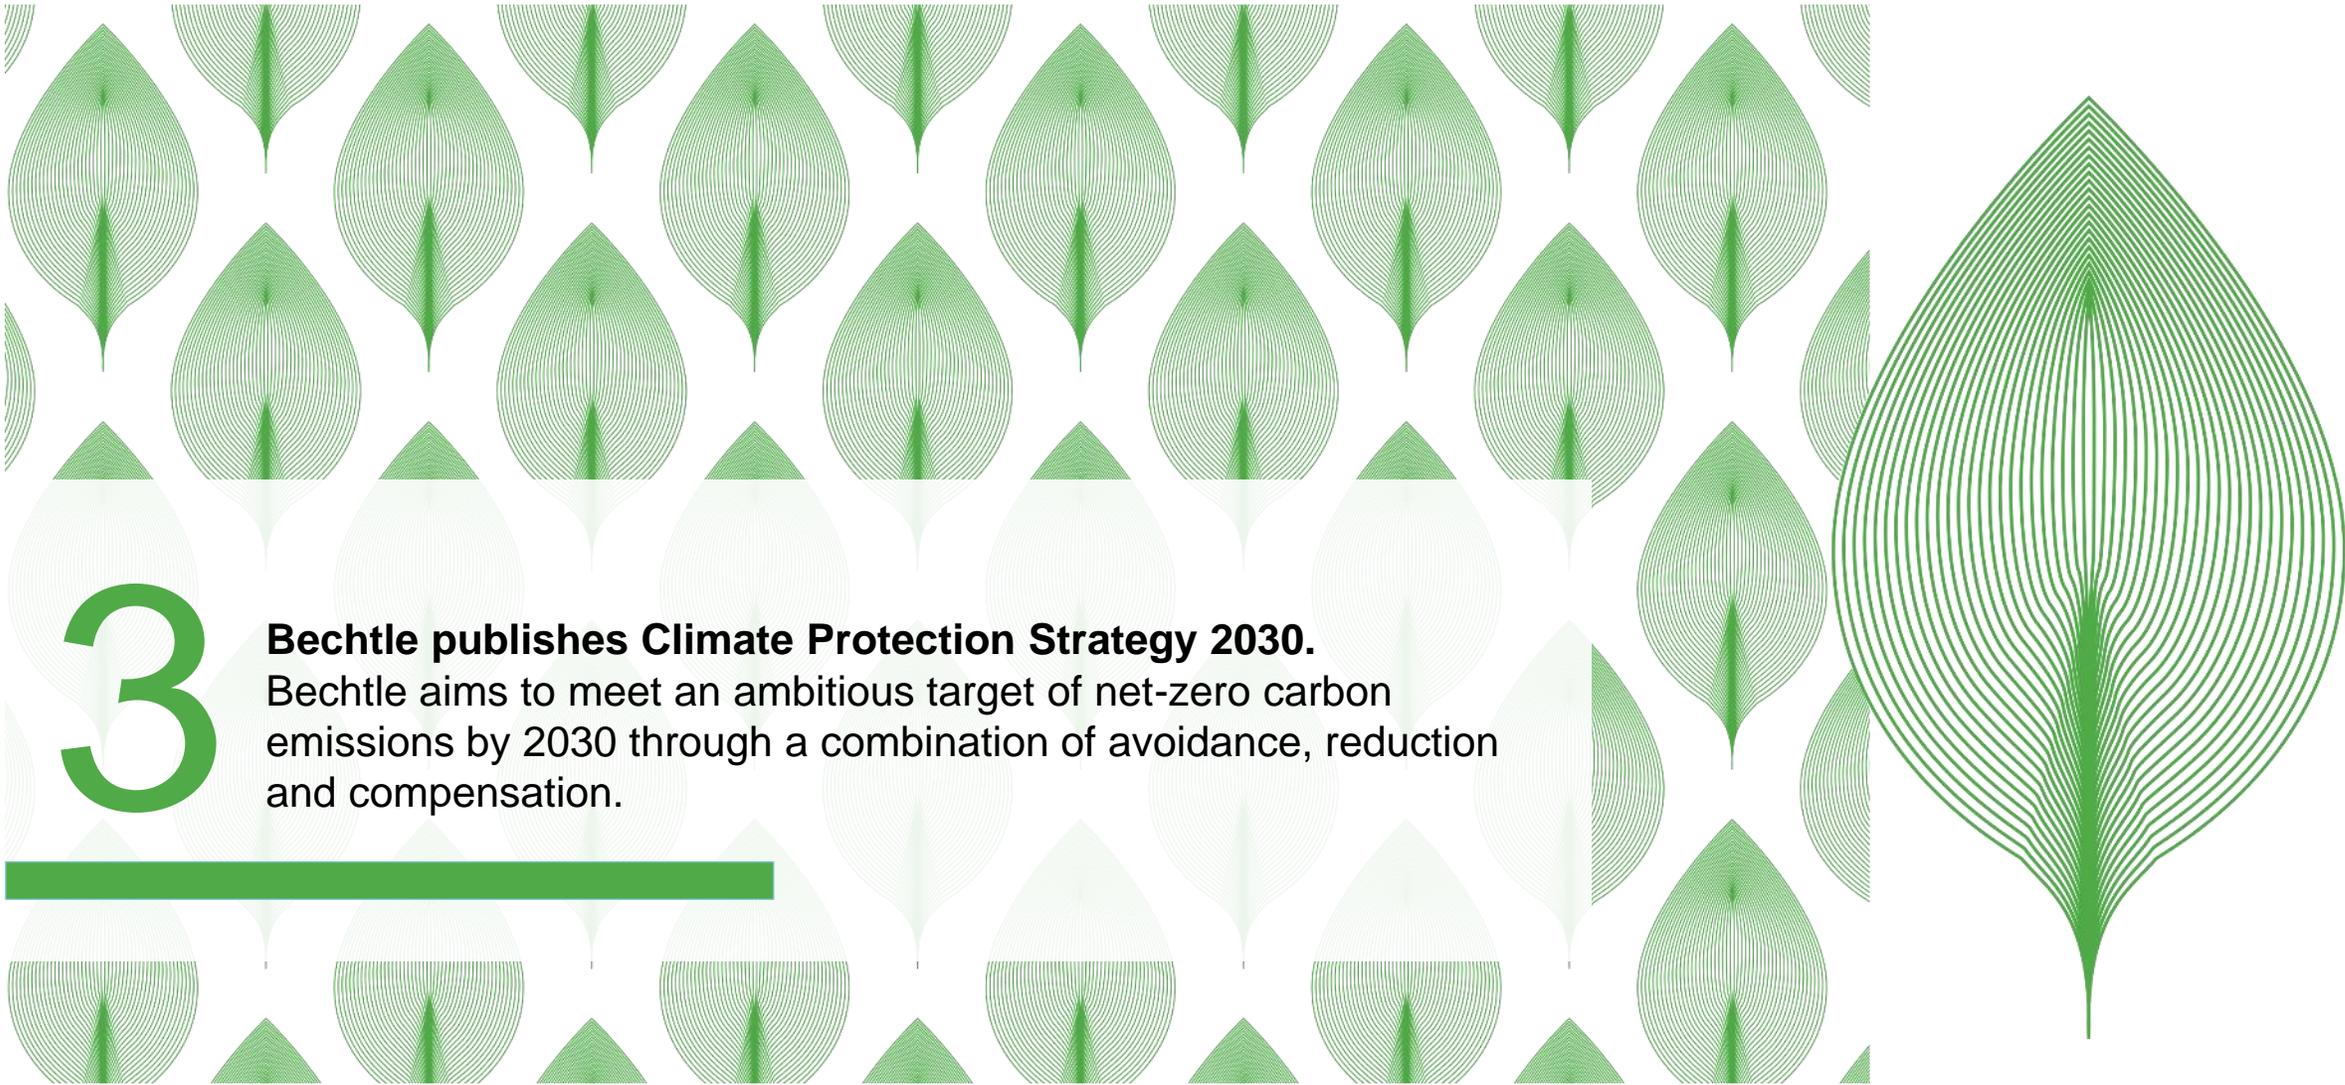

Bechtle doubles warehousing space in Germany.

Bechtle AG scales up its logistics capacity by opening a new warehousing site in Hamburg-Wilhelmsburg with 20,735 m² of the upper floor of Europe's very first two-storey logistics property, Mach2.

2

Bechtle Group expands footprint in the Netherlands.

Axez ICT Solutions B.V. is specialised in hybrid IT environments and cloud solutions, building up the competences of Dutch IT service provider PQR, which the Bechtle Group acquired in May. Axez employs 22 staff.

3 Bechtle publishes Climate Protection Strategy 2030.

Bechtle aims to meet an ambitious target of net-zero carbon emissions by 2030 through a combination of avoidance, reduction and compensation.

6 2022 outlook.

2022 outlook – Forecast remains optimistic.

Assumptions.

- Our vendor partners’ supply issues are abating as the year progresses – ***but not in all product segments and not as quickly as hoped.***
- Record high order backlog will gradually manifest as revenue – ***expected to begin in H2.***
- Sustained pronounced customer interest in IT investment leads to new business momentum – ***economic outlook increasingly gloomy.***

Realistic objectives.

- Bechtle is optimistic about the business year – ***supported, above all, by the good development ytd.***
 - Significant growth in terms of revenue/business volume and earnings (5% – 10)
 - EBT margin on par with previous year
