

# Elegantly engineered for hybrid work

## Dynabook Portégé X40-K

Powered by 12th Gen Intel® Core™ Processors

The stylish 14" Portégé X40 delivers premium connectivity, design and performance for the ultra-mobile enterprise

The latest addition to Dynabook's premium X Series range exemplifies our promise to deliver the very best in mobile computing. The Portégé X40 brings together enhanced connectivity, performance and collaboration features within a sleek aluminium chassis, delivering the perfect toolkit for productivity, no matter where your teams are working. With the latest 12th generation Intel® Core™ processors, coupled with Iris® Xe graphics and Windows 11 Pro, it has the power and performance to handle even the heaviest of workloads. And its host of communications tools, including next-generation AI\* audio and camera, combine to deliver truly seamless collaboration.

### At a glance\*

# Built to keep pace with your workforce

Powered by the latest 12th generation Intel® Core™ processors and Windows 11 Pro, the Portégé X40 is faster than ever. It offers up to 32GB DDR4 memory, configurable in two slots for excellent Intel® Iris®Xe graphics performance, and its capability is further boosted with SSD options up to 1TB, using the latest Gen 4 standard for faster transfer speeds.

The slim and light chassis houses an expertly engineered cooling system, using exceptionally quiet twin fans plus a rubber foot mounted on the exterior to separate warm and cool air, ensuring tasks and communications go uninterrupted regardless of workload.

# Recommended Services

## Business Support Portal

The Business Support Portal is a personalised platform to manage all your Dynabook assets. Further, you can download tailored driver download packages to ensure optimum performance or log service cases and see their status online.

## Gold On-site Repair

With the Dynabook Gold On-site Service, Next Business Day Response Service you can be sure that you have taken all possible measures to keep your workforce running smoothly. A Dynabook certified professional will be dispatched to you to repair your laptop within 24 hours.
