

International Business

Cross-border IT solutions by Bechtle

Perhaps you're already a Bechtle customer? Then you'll know that we have all things IT covered—from your endpoints to the data centre and everything in between, including the most complex business challenges.

But did you know that you can rely on the same professional support on an international scale? With our own locations in 14 European countries and a Global IT Alliance, we are the perfect IT partner for your international organisation. Discover how we can help you advance your international business.

International service offering

- Strategic hardware and software procurement
- Advanced services
- International project management

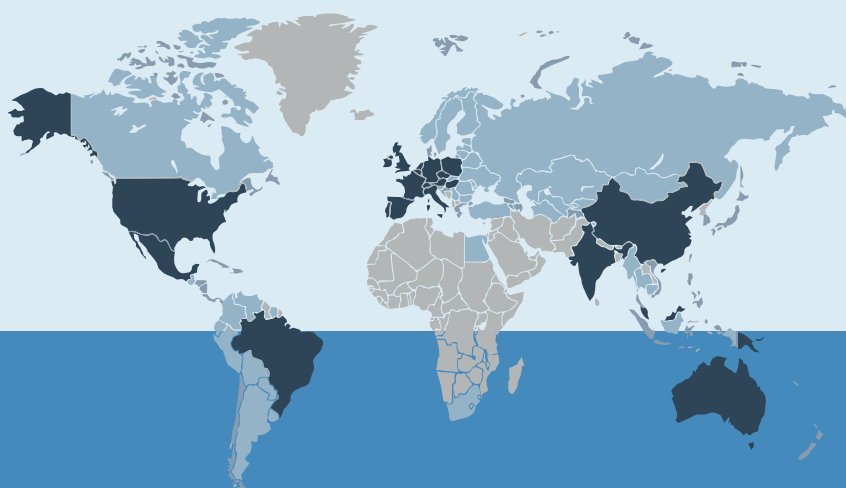

On your doorstep anywhere in the world

- Bechtle sites in 14 European countries
- Worldwide partnerships
- Great track record and excellent standing with vendors around the globe

As individual as your organisation

- Custom logistics and export solutions
- Streamlined e-procurement via our e-commerce portal, bechtle.com
- Alternative global procurement portal, Bechtle Global Access
- Support tailored to your organisation's needs

"Our International Business Unit (IBU) is like one big family!

With our locations in 14 European countries and reaching into 180 countries via the Global IT Alliance (GITA), we offer our customers true added value when it comes to sourcing IT and related services on an international scale.

No matter where they are in the world, we help our customers build and optimise their IT infrastructures with expert support through our global network."

Renate Bachofner-Bilgeri
International Accountmanager
Bechtle direct Switzerland
