Bechtle is Germany's largest IT system house and a leading IT e-commerce provider in Europe. Corporate and public clients of all shapes and sizes rely on our unique blend of streamlined IT procurement and end-to-end services. That's how we drive your future. On site. In Europe. Around the world. With a Global IT Alliance partner on every continent.

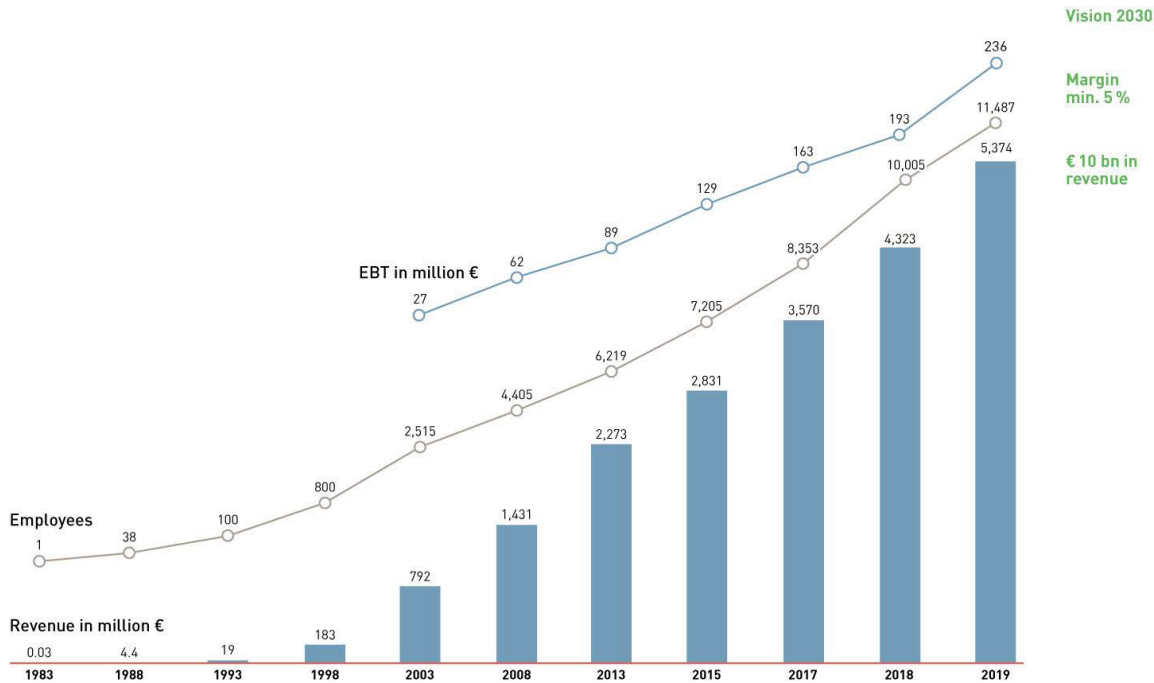

THE BECHTLE BENEFIT.

Bechtle is experience, stability and flexibility in one IT partner, right on your doorstep. Our expert community is unmatched in the industry and partners with all the big names in IT. Dedicated units and Competence Centers hone and share their knowledge to deliver specialist solutions including CAD, SharePoint, collaboration, and ERP. With a truly end-to-end-portfolio of consulting and plan-build-run services, we deliver the performance and security our customers need to make their future happen.

Your strong IT partner.
Today and tomorrow.

EXPERIENCED IN SUCCESS. FOR OVER 35 YEARS.
