# LOGITECH SOLUTIONS FOR MICROSOFT TEAMS ROOMS ON ANDROID

Easily turn any space into a Microsoft Teams Room with one-touch join, and a consistent meeting experience across rooms with Tap IP. Logitech® solutions for Microsoft Teams Rooms on Android are preconfigured for simplified setup and management. Configure your small, medium, or large room, then customize with mounts and accessories to better equip each space.

## SIMPLE MEETING ROOM SOLUTIONS FOR EVERY SPACE

Logitech for Microsoft Teams Rooms on Android include an Ultra-HD Logitech conferencecam with motorized pan and tilt, RightSense™ technologies, and the Logitech Tap IP touch controller for any room size or shape. Support for Microsoft Teams Rooms on Android means set up is remarkably simple with no need for a PC or Mac. Plus, device management has never been easier through the Microsoft Teams Admin Center.

Systems arrive neatly packaged and ready for secure installation. With premium components, clever cabling, and flexible mounting, Logitech room solutions make it easy to deploy Microsoft Teams Rooms throughout the workplace.

## HUDDLE TO SMALL

Rally Bar Huddle is an all-in-one video bar for small huddle rooms. Quick to set up and simple to manage, it's designed to deliver equitable video conferencing meetings with ease. Rally Bar Huddle is the newest addition to Logitech's family of conference cameras and it joins MeetUp, which packs big features into a compact form factor for small spaces.

## SMALL TO MEDIUM

Select the all-in-one Rally Bar Mini for brainstorming spaces and rooms for 4 to 6 people. Rally Bar Mini is a premium conference camera that features a motorized pan-and-tilt lens, ultra-low distortion speakers, and AI viewfinder for enhanced auto-framing and people count. Expansion mics allow you to extend audio coverage if needed.

## MEDIUM TO LARGE

In more extensive rooms, tables are longer and people sit farther from the camera. Choose between the all-in-one Rally Bar or the modular Rally System for these spaces. Both solutions offer a premium ultra-HD resolution conference camera that can support a wide range of room sizes and layouts.

## LARGE TO EXTRA LARGE

With a dual-camera system and RightSight 2 auto-framing technology, Rally Bar is a premium solution for large and extra-large spaces. The extra-large configuration features an expandable Rally Plus System with an ultra-HD Rally Camera, two speakers, and two mic pods for crystal-clear video and audio throughout the room.

## FEATURED COMPONENTS

### LOGITECH RALLY BAR HUDDLE

AI conferencing features (Grid View and Front Row) and other updates available through CollabOS, without having to connect to a separate PC.

Powerfully clear audio intake optimized by RightSound™ to ensure remote participants always feel included in virtual meetings.

Automatic privacy shutter, one multi-mount that enables mounting in three configurations, secure cable management, and more.

### LOGITECH RALLY BAR MINI

Premier all-in-one video bar with built-in Microsoft Teams Rooms support for small rooms, in graphite or white

Motorized pan and tilt lens provides expansive room coverage

Ultra-low distortion speakers deliver crystal clear sound

AI Viewfinder for enhanced RightSight™ auto-framing and people count

Add up to two Rally Mic Pods to extend audio coverage

### LOGITECH RALLY BAR

All-in-one video bar with built-in Microsoft Teams Rooms support for midsize rooms, in graphite or white

Lossless image quality up to 5X optical zoom, digitally enhanced to 15X total zoom

Large, ultra-low distortion speakers for room-filling sound

AI Viewfinder for enhanced RightSight auto-framing and people count

Add up to three Rally Mic Pods to extend audio coverage

### LOGITECH RALLY PLUS WITH ROOMMATE

Modular video conferencing system for large rooms with a computing appliance purpose-built for video collaboration

Customizable for large rooms of virtually any size or shape

Brilliant optics up to 5X optical zoom, digitally enhanced to 15X total zoom

Two Rally Speakers and two Rally Mic Pods (extensible up to seven) ensure every voice is clearly heard

### LOGITECH TAP IP

Network-connected touch controller

- Responsive 10.1" touch screen
- Single Power Over Ethernet cable and secure cable management
- Supports "proximity join" to join a room or add it to a meeting

Optional Table and Riser mounts add convenience and rotate 180° for easy viewing. Or, add a Wall Mount to save space in small and multipurpose rooms.

## OTHER COMPONENTS

All components are included with the large room configuration. Rally Mic Pod Hub is optional for the small and medium room configurations.

### LOGITECH ROOMMATE

Computing appliance with built-in support for Microsoft Teams Rooms on Android.

### RALLY MOUNTING KIT (FOR RALLY PLUS)

Includes wall mounts for the camera and both speakers, plus mounts with cable retention for the display and table hubs.

### RALLY MIC POD HUB

Connect up to three Rally Mic Pods for hub-and-spoke layouts and to minimize cabling.

## ACCESSORIES

### LOGITECH SIGHT

Tabletop camera with intelligent multi-participant framing. The best meeting room view, from anywhere.

### TV MOUNT FOR VIDEO BARS

Float Rally Bar Mini or Rally Bar above or below the room's display.

### WALL MOUNT FOR VIDEO BARS

Mount Rally Bar Mini or Rally Bar on the wall for minimal footprint.

### RALLY MIC POD

Expand audio coverage and provide convenient access to mute controls. Compatible with Rally Bar Mini, Rally Bar, and the Rally System. Available in graphite or white.

### RALLY MIC POD MOUNT

Hide cables and anchor mics on the table or ceiling for a clean, finished look. Available in graphite or white.

### LOGITECH SWITCH

Use the AV equipment in your Microsoft Teams Room with any meeting, webinar, or streaming application.
