LOGITECH SOLUTIONS FOR MICROSOFT TEAMS ROOMS ON WINDOWS

Transform any space into a Microsoft Teams® Room on Windows® with one-touch join or Proximity Join, wired and wireless content sharing, and center-of-room control with Tap. Logitech® room solutions are available for rooms of all sizes with accessories to suit each space.

PRE-CONFIGURED VIDEO CONFERENCING FOR MEETING ROOMS

Logitech Room Solutions for Microsoft Teams include everything you need to build out meeting rooms of any size or shape—a mini PC, a PC mount, an Ultra-HD Logitech conferencecam with RightSense™ technologies, and the Logitech Tap touch controller. Plus, device management has never been easier through the Microsoft Teams Admin Center or Logitech Sync.

Systems arrive neatly packaged and ready for secure installation, and include configuration and support resources with Logitech Jumpstart. With premium components, clever cabling, and flexible mounting, Logitech room solutions make it easy to deploy Microsoft Teams Rooms throughout the workplace.

HUDDLE TO SMALL

Rally Bar Huddle is an all-in-one video bar for small huddle rooms. Quick to set up and simple to manage, it's designed to deliver equitable video conferencing meetings with ease. Rally Bar Huddle is the newest addition to Logitech's family of conference cameras and it joins MeetUp, which packs big features into a compact form factor for small spaces.

SMALL TO MEDIUM

Select the all-in-one Rally Bar Mini for brainstorming spaces and rooms for 4 to 6 people. Rally Bar Mini is a premium conference camera that features a motorized pan-and-tilt lens, ultra-low distortion speakers, and AI viewfinder for enhanced auto-framing and people count. Expansion mics allow you to extend audio coverage if needed.

MEDIUM TO LARGE

In more extensive rooms, tables are longer and people sit farther from the camera. Choose between the all-in-one Rally Bar or the modular Rally System for these spaces. Both solutions offer a premium ultra-HD resolution conference camera that can support a wide range of room sizes and layouts.

LARGE TO EXTRA LARGE

With a dual-camera system and RightSight 2 auto-framing technology, Rally Bar is a premium solution for large and extra-large spaces. The extra-large configuration features an expandable Rally Plus System with an ultra-HD Rally Camera, two speakers, and two mic pods for crystal-clear video and audio throughout the room.

FEATURED COMPONENTS

LOGITECH RALLY BAR HUDDLE

AI conferencing features (Grid View and Front Row) and other updates available through CollabOS, without having to connect to a separate PC

Powerfully clear audio intake optimized by RightSound™ to ensure remote participants always feel included in virtual meetings

Automatic privacy shutter, one multi-mount that enables mounting in three configurations, secure cable management, and more

LOGITECH RALLY BAR MINI

Premier all-in-one video bar for small rooms, in graphite or white

Motorized pan and tilt lens provides expansive room coverage

Ultra-low distortion speakers deliver crystal clear sound

AI Viewfinder for enhanced RightSight™ auto-framing and people count

Add up to two Rally Mic Pods to extend audio coverage

LOGITECH RALLY BAR

All-in-one video bar for midsize rooms, in graphite or white

Lossless image quality up to 5X optical zoom, digitally enhanced to 15X total zoom

Large, ultra-low distortion speakers for room-filling sound

AI Viewfinder for enhanced RightSight auto-framing and people count

Add up to three Rally Mic Pods to extend audio coverage

LOGITECH RALLY PLUS WITH ROOMMATE

Modular video conferencing system for large rooms

Customizable for large rooms of virtually any size or shape

Brilliant optics up to 5X optical zoom, digitally enhanced to 15X total zoom

Two Rally Speakers and two Rally Mic Pods (extensible up to seven) ensure every voice is clearly heard

LOGITECH TAP

Touch controller for room solutions

- Responsive 10.1" touch screen
- Commercial-grade cabling and cable management
- Supports no-touch room pairing with Proximity Join

Optional Table and Riser mounts add convenience and rotate 180° for easy viewing. Or, add a Wall Mount to save space in small and multipurpose rooms.

OTHER COMPONENTS

MINI PC

Small footprint compute of choice from a variety of partners. Microsoft-approved.

PC MOUNT

Secure PC and cables to walls and beneath tables with integrated cable retention.

RALLY MOUNTING KIT (FOR RALLY PLUS)

Includes wall mounts for the camera and both speakers, plus mounts with cable retention for the display and table hubs. Included with the large room configuration.

RALLY MIC POD HUB

Connect up to three Rally Mic Pods for hub-and-spoke layouts and to minimize cabling. Included with the large room configuration.

ACCESSORIES

LOGITECH SIGHT

Tabletop camera with intelligent multi-participant framing. The best meeting room view, from anywhere.

TV MOUNT FOR VIDEO BARS

Float Rally Bar Mini or Rally Bar above or below the room's display.

WALL MOUNT FOR VIDEO BARS

Mount Rally Bar Mini or Rally Bar on the wall for minimal footprint.

RALLY MIC POD

Expand audio coverage and provide convenient access to mute controls. Compatible with Rally Bar Mini, Rally Bar, and the Rally System. Available in graphite or white.

RALLY MIC POD MOUNT

Hide cables and anchor mics on the table or ceiling for a clean, finished look. Available in graphite or white.

LOGITECH SWITCH

Use the AV equipment in your Microsoft Teams Room with any meeting, webinar, or streaming application.
