BECHTLE

POWER BI AND HEALTH CHECK WORKSHOP

If you are experiencing Power BI Reports which are slow and un-responsive or your Dashboards and Reports don't look as polished as they should, this workshop is right for you!

QUANTIQ will work with you to document and diagnose your current situation

Quickly get to the 'root cause' of your Power BI challenges

Identify 'quick wins' to get you back on track and a plan for the future

Power BI: Proof of Value – 5 Day Workshop

This 1-day workshop is a hands-on session with a QUANTIQ Specialist Power BI Consultant, which will help you and your business identify how best to drive business value from your investment in Power BI. If you are experiencing Power BI Reports which are slow and un-responsive or your Dashboards and Reports don't look as polished as they should, this workshop is right for you.

Within this workshop, QUANTIQ will work with you to understand, document and diagnose your current business situation to quickly identify the root cause of your Power BI challenges. This will enable QUANTIQ to provide solutions and get you back on-track and plan for the long term.
